Roadway (Strategic City-wide Paving Project)	\$	160,000,000.00	600
Main Street Streetscape Phase #1 Woodside to Trumbull Mall	\$	8,500,000.00	60
City Wide Bridge Repair		\$5,000,000	250
Streetscape Improvements 27A to Harbor Yard	\$	9,902,970.00	100
Capital Avenue Bridge Rehabilitation	\$	1,000,000.00	50
<u>Housing</u>			
PT Barnum streets and sidewalks replacement	\$	3,500,000.00	51
Vacancy reduction in unoccupied units	\$	550,000.00	8
Replacement of roofs at the Scattered Site projects	\$	1,500,000.00	22
Telecommunications and software update	\$	500,000.00	7
ADA renovations to stairways, sidewalks, parking areas, fencing, etc.	\$	3,500,000.00	42
Storm doors at various public housing sites	\$	400,000.00	6
New boilers at Fireside Court elderly apartments	\$	2,754,800.00	40
Trumbull Gardens building 11 elevators repairs	\$	650,000.00	10
PT Barnum stairs replacement	\$	3,098,920.00	46

Installation of bus shelters at PT Barnum, Fireside Court, CF Greene, Harborview Village, and Marina Village	\$	265,000.00	7
Charles Greene public housing new roofs	\$	725,000.00	11
Kitchen modernizations in PT Barnum, Trumbull Gardens, Harborview, and CF Greene	\$	3,750,000.00	55
Harborview security modifications and front entrance repairs	\$	605,000.00	9
PT Barnum security lighting	\$	434,373.00	6
Iranistan Ave building rehabilitation into public housing units	\$	437,373.00	6
Section 504 unit retrofit in all projects	\$	4,128,104.00	60
Restoration of retaining walls and fencing at Trumbull Gardens	\$	226,321.00	4
Charles Greene security lighting	\$	175,368.00	3
Poplar Street public housing project elevator replacement	\$	125,000.00	2
Addition of funding for 200 Coleman Street LEEDS construction of 3 public housing units	\$	50,000.00	1
Fireside electrical meter upgrades	\$	480,000.00	7
Windows at Harborview Village apartments	\$	2,071,561.00	30
Site improvement to Morris Ave and construction of warehouse	\$	1,350,000.00	18
Replacement of siding and storm water handling system at Trumbull Gardens	\$	1,256,332.00	18
Reconfiguration of Bird Street	\$	1,675,000.00	18
Marina Village public housing project replacement roofs	\$	1,251,625.00	18
14 units of new housing construction on existing foundation	\$	4,000,000.00	18
Renovation of vacated building into housing units for survivors of domestic violence	\$	2,446,861.00	16
Windows for housing at Fireside Court elderly housing and Scattered Sites 536 units.	\$	1,500,000.00	22
New boilers at 536 Scattered Site units	\$	3,200,000.00	47
Trumbull Gardens sewer system reconstruction	\$	1,500,000.00	22
Charles Greene interior stairs replacement	\$	1,600,000.00	24
CCTV System wide	\$	1,523,668.00	22
Gary Crook Center modernization and consolidation of offices	\$	1,032,000.00	15
Sidewalk improvements at Marina Village	\$	650,000.00	14

Marina Village security lighting	\$	941,653.00	14
Section 504 site and common area infrastructure rehabilitation	\$	3,000,000.00	32
Adams and Olive Street building restoration	\$	875,156.00	13
Burroughs Community Center Expansion	\$	3,000,000.00	60
755 Palisades Ave clinic	\$	2,300,000.00	34
<u>Public Safety</u>			
School Resource Officers and Neighborhood Policing Officers to Support Community Policing Initiatives	\$	22,500,000.00	90
Expansion of Emergency Services Unit	\$	3,000,000.00	12
City-wide Public Safety Mesh Wireless Network	\$	5,000,000.00	15
Expansion of City's Video Monitoring System	\$	3,000,000.00	6
<u>Transit</u>			
Transit Authority Maintenance and Administration Facility Project: Expand Administration and Maintenance Facility to accommodate growth, improve efficiency, improve working conditions and develop into a sustainable facility including reducing carbon footprint	\$	14,000,000.00	80
Port Authority Ferry Garage Construction Project (Planned phase of intermodal transportation center project/ transit oriented development / design-phase completed, site assembled, project planning complete) – Estimated Cost: \$4 million	\$	4,000,000.00	80
Transit Authority Bus Terminal Project: Provide additional protection from the elements on the platforms of the new bus terminal Cost Estimate: \$3,900,000	\$	3,900,000.00	30
Transit Authority Shelter Installation Project: Install 100 shelters at bus stops – 50 replace existing shelters, 50 installed at stops without shelters Cost Estimate: \$1,400,000	\$	1,400,000.00	20
Transit Authority Bus Emissions Reduction Project: Re-power 40 buses to solve turbo failure problem and reduce vehicle emissions Cost Estimate: \$2,800,000	\$	2,800,000.00	20
Transit Garage Expansion Project.	\$	2,500,000.00	20
Fare Box Replacement		\$1,045,000.00	4

Replacing 65 fare boxes for increase in regional fare coordination

Water and Storm and Sanitary Sewer

Ox Brook Flood Control Project (reconstruction of tributaries, construction of new channels, installation of new berm at Elton Rogers Park & new pipe)	\$	45,000,000.00	400
City-wide Sewer Separation Project (Bridgeport Water Pollution Control Authority WPCA) / design-phase completed, project planning complete, initial work underway) – Estimated Cost: \$12 million	\$	12,000,000.00	75
City-wide Sewer Separation Project (Bridgeport Water Pollution Control Authority WPCA) Pump Station Upgrades/ design-phase completed, project planning complete, initial work underway) – Estimated Cost: \$5 million	\$	5,000,000.00	40
City-wide Sewer Separation Project (Bridgeport Water Pollution Control Authority WPCA) / study-phase starting, initial testing underway) – Estimated Cost: \$42 million	\$	42,000,000.00	600
Bridgeport Harbor Maintenance Dredging	\$	10,000,000.00	80

Energy and Environment

LED Traffic Light Conversion Project	\$	400,000.00	4
East Side & West Side Treatment Plant Waste to Energy Biomass Gasification Energy Production Project	\$	65,000,000.00	560
Bridgeport School System & City Public Facilities Efficiency Retrofit Project	\$	15,000,000.00	70
Emergency Center Electrical Generation Project - Fuel Cell & Generator Purchase & Installation	\$	15,275,000.00	30
City of Bridgeport Government Center LEEDS building for Health, Probate, Government, Senior Center, and Library	\$	100,000,000.00	600
Energy improvements to Administrative Offices	\$	1,500,000.00	22

Education

Upgrade HVAC System to include energy efficient Boilers and air handling units. Schools include Curiale, Central, Whittier, Sheridan, Marin, Park City, JFK.	\$	2,800,000.00	50
--	----	--------------	----

Provide local funding to construct a Discovery magnet School. This facility is 70,000 sf with 500 students. This school will operate in conjunction with the Discovery Museum.	\$	3,050,000.00	600
Replace roofs at Bassick High School and the Maintenance Garage	\$	2,400,000.00	20
Auxiliary Classrooms at Central High School to provide additional teaching space to meet the accreditation issues within the high school. This project would provide relief from the existing over crowding situation and remove the probation already on the	\$	2,750,000.00	400
Columbus ADA Renovations. Renovate and existing Elementary School to meet ADA Code requirements	\$	8,850,000.00	300
Columbus energy efficiency renovations to include Window replacement and HVAC upgrades	\$	6,500,000.00	50
Provide local funding for the new 210,000 sf Multi Magnet High School to aid in over crowding and provide a facility that is environmentally sound and matches the curriculum. The curriculum includes information Technology, Zoology, and Aerospace programs	\$	12,300,000.00	850
Replace Heating Controls systems in Blackrock, Beardsley, Edison, Hallen, Blackham, Hooker, JFK Campus High Horizon, Multi Cultural, Read, Roosevelt, Whittier and Winthrop Schools	\$	4,000,000.00	75
Replace Doors and Windows. Existing Windows and doors need to be upgraded to thermopane units and replace old corroded doors at Blackrock, Blackham, Beardsley, Central, Cross, Harding, Hallen, Longfellow, Park City, Skane and Bassick Schools	\$	6,990,000.00	75
Upgrade electrical systems to meet current Technology requirements within the schools. School include: Hallen, Longfellow, Madison Harding Winthrop, Blackham, Beardsley, Whittier.	\$	1,195,000.00	70
Replace plumbing fixtures and mixing valves in Winthrop, Bassick, Roosevelt, Whittier schools.	\$	350,000.00	30
Healthcare			
Construction of health clinic on Albion Street	\$	4,650,775.00	23
